Four Routes, Two Days, Three Ways to Ride –  
Mix and match on the Dual Sport routes:  
Event Class single track best suited for your EXC  
Scenic & challenging two tracks perfect for your DRZ  
Grin until it hurts on the Adventure routes:  
Twisty & rolling dirt, gravel & paved for your GS  
Remote, Rustic & Rugged sums it all up.

All the participants from 07 left with two statements:  
"Awesome" & "We'll be back!". For 08 we keep with  
the winning formula of private event trail + best of the  
public trail + two tracks that are more like single track  
with a built-in passing lane + great food. All of the  
single track is optional, do as much or as little as you  
desire. Route sheets will be in use for this ride in ad-  
dition to some ground markings for the tricky corners.  
GPS available for all courses as well.
